Network: Broadband Internet connection

Storage: 7 GB available space

Additional Notes: Screen Resolution - 1280x768

English,French,German,Czech,Polish,Russian,Ukrainian,Italian,Portuguese,Turkish

The only good thing about having the Deluxe Edition and getting 5 low quality mission addons called "DLC" while the real Scottish DLC is not included because it is technically not a DLC but rather downloadable content called an "Extension" - ??? - (DLC = Downloadable Content)- ??? - is that I can at least leave 5 instead of 1 negative review.... Buggy in Linux. moving the camera causes things to chop to a few frames a second and the audio to cut out.
